Summerfest is back!!

Summerfest 2010 will be held Sunday August 22. The planning has already begun and the event is shaping up to be even more fun than last year. Jose Nazari is getting the band back together. The grills will be sizzling and the food will be tasty and plentiful. The 40-day forecast is for clear skies and comfortable conditions, but rain or shine the event will go on.

Sarah Rodin will be leading Israeli dancing. We hope to have Cantor Pavel Roytman entertain us with his beautiful voice and his special enthusiasm. Art projects, story telling, blow up toys; sports and games will be great fun for children of all ages. A real fire engine and ambulance will arrive for the kids to see. The USY'ers will be doing a car wash. Could the Stanley Cup or one of the Blackhawks make an appearance? You'll have to come and find out.

The BHCBE Summerfest is a great opportunity to showcase our synagogue and our great congregation. Every division of the synagogue is involved in the planning and execution of the event. It is a community builder and way to introduce potential new members to what is best about our synagogue. We need you to bring unaffiliated friends and family members to enjoy this great event.

Last year we had over 60 volunteers. Many of the volunteers told me how wonderful it was to have played a role in making this event a success. It is a great opportunity to get involved. If you volunteered last year or want to help out this year please contact Aileen Primack, our membership VP. We will have a list of jobs and a time schedule so you will know how you can help and when we need you. We'll try to accommodate your preferences.

We also need financial support to make our creative ideas become reality. Please contact me if you'd like to make a donation to help underwrite Summerfest. We would like to publicly acknowledge those that have supported the event, but will keep donations confidential if that is your preference.

If you came last year, you know how much fun it was. What made it great was the wonderful turnout. We're counting on you. See you August 22 at Summerfest 2010.
